Key Timetable Takeaways

PE days – Wednesday and Thursday

Outdoor Learning - Mondays

There may be changes for different terms and these will be communicated in the weekly newsletter or through Parentmail.

PE MUST-HAVES

Please make sure your child has the correct PE kit in school on the 1st of September.

INDOOR PE

OUTDOOR PE

PE BAG

NAVY
SHORTS
OR
SKORT

WHITE OR NAVY
SOCKS

TRACKSUIT

TRAINERS

HOUSE
SHIRT

WATER
BOTTLE

EVERY PE DAY

Bring a water bottle to school every day.

Earrings must be taped.

No other jewellery is allowed.

OUTDOOR LEARNING CLOTHES

We go outside in all weathers so please make sure your child has appropriate clothing.

CLOTHES WE NEED

THINGS TO NOTE

Waterproofs can vary – all-in-one OR waterproof dungarees with coat OR trousers and coat.

Wellies can stay in school all term.

OUTDOOR LEARNING BAG

LONG SLEEVE
TOP

A FORM OF
WATERPROOFS

WELLIES

HAT (SUN
AND
WINTER)

EXPECTED STANDARDS FOR END OF YEAR

The end of year expectations can be found on the Gov.uk website.

The screenshot shows the Gov.uk website interface. At the top is a blue header with the Gov.uk logo, a 'Menu' button, and a search icon. Below the header is a breadcrumb trail: 'Home > Childcare and parenting > Schools and education'. The main heading is 'The national curriculum'. Underneath, there is a 'Contents' section with links: 'Overview', 'Key stage 1 and 2', 'Key stage 3 and 4', and 'Other compulsory subjects'. The 'Key stage 1 and 2' link is highlighted. Below this, the heading 'Key stage 1 and 2' is displayed. A paragraph states: 'Compulsory [national curriculum](#) subjects at primary school are:'. This is followed by a bulleted list of subjects: English, maths, science, design and technology, and history. On the right side of the page, there is a 'Related content' section with links to 'Apply for a primary school place', 'Apply for a secondary school place', 'Home education: get information from your council', 'School term and holiday dates', and 'Types of school'.

Handwriting

The children are taught handwriting using the Nelson Handwriting Scheme.

They practice handwriting everyday.

Children should be able to form most letters correctly.
In year 2 we will also teach the children how to begin joining their writing from January.

a b c d e f g h i j k l m n o p q r s t u v w x y z

Master Reader

Master reader is our shared reading scheme used across the federation. It covers a wide range of skills such as reading fluency, questioning and predicting skills.

The lessons follow the same structure every week so that the children can become familiar with their learning and develop a love for reading.

Master Reader Texts

**MASTER
READERS**
excellence after phonics

Spellings

Spelling Shed is our new spelling scheme used across the federation. There is a new spelling rule every week, and the children get introduced to these on a Tuesday with opportunities to practice throughout the week through different activities.

The lessons follow the same structure every week so that the children can become familiar with the expectations.

Spelling TEST

EVERY FRIDAY

The children will take part in a relaxed spelling test every Friday so we can be informed for their planning.

They will be given the new spellings every Friday for the following week so if you wish to practice with them at home then you can do so.

Please ensure the spelling books are kept in reading folder every day!

English

Talk4Writing™

We use the Talk4Writing programme alongside colourful semantics to support our writing process and planning sequence.

T4W follows a 2–3-week plan where we learn about a style of writing, complete a piece together and then complete an independent piece.

Maths

Mastering Number is a math program for children that builds strong number sense and quick recall of basic math facts.

It is created by the NCETM (National Centre for Excellence in the Teaching of Mathematics)

Known as ‘the phonics for maths’

Maths

White Rose is our main maths scheme.

It follows a "maths mastery" approach, meaning the focus is on achieving a deep, long-term understanding of concepts rather than just memorizing procedures.

It breaks down the national curriculum into tiny, manageable learning stages so children build confidence gradually without massive leaps in difficulty.

Reading at Blands

At Mrs Bland's we are very passionate about reading:

- 🍃 Reading stars

- 🍃 Library – every Friday

- 🍃 Class book corner

- 🍃 Authors of the term

- 🍃 1:1 reading in school

- 🍃 Reading at home

Can anyone volunteer to come and hear readers in school?

Authors of the term

Jamila Gavin

Dick King-Smith

Roald Dahl

Micheal Rosen

David Walliams

Trips throughout the year

Amazing opportunities to bring our learning to life beyond the classroom.

AUTUMN 2

Windsor Castle OR Oxford Castle

JANUARY 2027

Paddington Theatre Trip

SUMMER 1

Dinton Pastures

SUMMER 2

The Matthew & Aquarium Bristol

We cannot go ahead without your support.

Seesaw - changes

What we use it for now:

- Trips
- Work that can't be put into their books eg: DT models, Outdoor Learning, experiments etc...

Please don't use this for communication anymore – all communication should come through the office or Parentmail.

Any
questions?
